#### How Do Your Beliefs Affect How You Live Your Life?

Panel Discussion

Do you make up your ideals and values from what you are faced with in life? Have other people, your religion or your work affected your views on how life should be lived? Did you inherit your beliefs from your family, or have you gone your own way – how has that played out in your life?

John Martin, Abby Struck and John Christensen, members of Groveland Fellowship, will be on our panel today. The discussion will be about directions their lives have taken because of their beliefs.

## Looking Ahead...

### Sunday, February 3 Meals on Wheels Presented by Grant Watkins

Grant Watkins will discuss the Meals on Wheels program, as well as volunteerism and its place in our community. Grant Watkins is Volunteer Coordinator at Wilder Senior Services.

### Groveland Book Group Wednesday, January 9, 6:30-8:30 Highland Café and Bakery

Our book for January is *The Cuckoo's Egg*, by Cliff Stoll.

Before the Internet became widely known as a global tool for terrorists, one perceptive U.S. citizen recognized its ominous potential. Armed with clear evidence of computer espionage, he began a highly personal quest to expose a hidden network of spies that threatened national security. But would the authorities back him up? Cliff Stoll's dramatic firsthand account is "a computer-age detective story, instantly fascinating [and] astonishingly gripping" (Smithsonian).

Please join us whether or not you have read the book!

February's book group will meet on February 9. The book is *Blue Horses*, by Mary Oliver.

### January Birthdays

We have two birthdays to celebrate this month. Happy Birthday to Judy Bonhiver and Bruce Jarvis!
