

# THE GROVELAND E-WIRE

Volume 12, Issue 7, September, 2019, page 1

## Sunday Services

Groveland Fellowship's Sunday services start at 10:00 a.m. We meet at 1671 Summit Ave in Saint Paul. **Note: Our traditional Mingling of the Waters Ceremony will take place on September 15 instead of September 8.** Remember to bring the water from your travels this summer to the September 15th service.

### **September 8, 10 a.m. Lessons from the Field Presented by Kris Warhol**

Our speaker, Kris Warhol, is from the Unitarian Church of Underwood, MN, founded in 1889, with a membership of 88. She will be sharing a blueprint for growth.

Kris Warhol has a marketing background in sales. She worked for a non-profit for 10 years. Since moving to Underwood from Minneapolis in 1997, she has been the administrator for Underwood for 11 years, and liaison for Prairie Star District for 8 years. She is currently Board Chair of the Unitarian Church of Underwood.

### **September 15, 10 a.m. Mingling of the Waters Presented by Alan Lando**

Alan Lando, Groveland's president, will lead our service in which each person brings water from a vacation, weekend away, from the Mississippi or just from the home tap to combine in a large bowl, symbolizing our separation during the summer and our reunion again in the fall. We will talk about and re-live our summer adventures.

### **September 22, 10 a.m. Do We Need to Be Religious? The Theology of Sophia Lyon Fahs**

**Presented by Sara Leiste**

Sophia Lyon Fahs was a professor at Union Theological Seminary and a leading thinker in religious education. Her reflections on emotion, faith, and science contributed to the 1930's renaissance in Unitarianism. Her theology recognized the importance of human experience and emotions in a liberal faith. In this service, we will learn how her thoughts contributed to Unitarianism and still influence us today.

Sara Leiste is a member of Groveland Fellowship.

### **September 29, 10 a.m. Housing Justice Presented by Dr. Brittany Lewis**

Dr. Brittany Lewis partnered with KMOJ Radio's Host Lissa Jones to develop a three-part series on evictions in North Minneapolis to help the broader community understand the complexity of the issue – who it impacts, how it impacts all stakeholders, and what is being done to address some of these challenges.

Dr. Brittany Lewis is CURA's (Center for Urban & Regional Affairs) Research Associate with an expertise in community-engaged research, urban housing, community economic development, and critical race and gender studies. A 2015–2016 Postdoctoral Fellow at Bowdoin College and 2014–2015 University of Minnesota Doctoral Dissertation Fellow, Dr. Lewis has established herself as a scholar committed to investigating the ways that local urban communities resist the racialized gendered legacies of housing
