Camp UniStar Is Open This Summer

Camp UniStar is a Unitarian Universalist camp for individuals and families and other like-minded people, nestled in the Chippewa National Forest on Star Island, surrounded by the clear waters of Cass Lake in northern Minnesota. Each year we welcome campers of all ages to this place out of time, where the beauty of nature is rich, life is simple, and community is cherished.

Campers arrive on a Saturday and leave the following Friday. Transportation to the island from the Marina in Cass Lake is included in the camp fee. The camp's rustic facilities include a Lodge, five cabins, and a tenting area with five platforms. Each cabin is equipped with a simple kitchen, family sleeping rooms, common areas, and a shared bathroom with a tub. Shower houses are also available. For more information:
